### Venue

The Co-counselling International Summer Workshop takes place in:

**Nieuw Allardsoog,**  
Bakkeveen,  
The Netherlands.

It is a beautiful conference centre in the province of Friesland, with buildings surrounded by trees. Located in a peaceful environment, Nieuw Allardsoog amidst beautiful nature and heathlands of the nature conservation organization 't Fryske Gea. The paths from the venue lead to an ancient heathland area. Here you can quietly walk around for hours in peace.

### Co-counselling for a week

This is the opportunity to develop your qualities even further with enthusiastic co-counselors from many countries and a large number of valuable workshops. Each of them has his/her/their own special qualities and that enables an offer of high quality workshops. There are many participants who are willing to share their wisdom and talents with you, and you are also invited to share yours with others.

During the week, you can be part of a small support group, which is like a close family. In your support group you may share your experiences with others and be in close contact with them. You will be part of one big family for a full week, providing depth, relaxation, creativity and opportunities for personal growth.

### Program

During the 7 days of the CCI the program will be developed organically. Participants are invited to offer workshops of their own. You can enjoy a variety of informative workshops on the CCI theme *Courage to be* and on other themes. There will also be an offer of creative workshops, opportunities for sessions, as well as recreational possibilities and tours in the area.

Every day we will start with an opening circle, where we will enjoy togetherness and doing nice activities.

### Participants

The CCI is open to everybody who completed a 40-hour fundamental CCI Co-Counselling Course. The language is mainly English; there are many participants who are willing to translate.

### Corona safety regulations

Please check the up-to-date information before travelling to the Netherlands. <https://www.government.nl/topics/coronavirus-covid-19/visiting-the-netherlands-from-abroad> At the time of writing (November 2021) safety implies that you are **vaccinated**, or **being tested** within 24 hours before arrival at Nieuw Allardsoog. You also need to test halfway through the CCI when not vaccinated. You need to show a QR code or a negative test result at the entrance of the hotel and the CCI. If you have Covid symptoms, please stay at home or leave. That also applies to people who have been vaccinated.

On the registration form, we ask participants to indicate their situation regarding vaccination, so that we may choose whether or not to hug and how we do it.

We will have a CO2 meter to continuously measure the quality of the air.
