

We are providing this information & map to help you plan your trip to the U.S. We recommend flying to Boston or JFK when possible. Although flights to Newark may be less expensive initially, that is offset by additional travel costs & inconvenience.

Boston - Hartford	168 Km
Newark - Hartford	209 Km
JFK - Hartford	187 Km
Prov. - Hartford	134 Km
Newark - New Haven	151 Km**
JFK - New Haven	129 Km**

\*\*Although travel to New Haven may be a shorter distance, actual travel time can be longer due to heavy congestion in/around New York City and southwestern Connecticut.
